Deaths and Funerals.

Mr. James B. Penn, son of Mr. B. F. Penn, of this city, died at his home in Washington Saturday afternoon. He leaves a widow. The deceased was a member of the McKinley Council, National Union, and Alexandria Council, Royal Arcanum. The funeral will take place from his late residence tomorrow morning. The remains will be taken to St. Joseph's Church, where a mass of requiem will be offered for the repose of his soul.

Mr. Alfred G. Appich, son of J. W. and the late Alice R. Appich, died in Washington early yesterday morning. The deceased was in the 26th year of his age. His remains will be brought to this city and the funeral will take place tomorrow morning at 11:30 o'clock.

Charles F. Ford died at his home, 708 North Columbus street, Saturday afternoon. The deceased was 73 years of age. Funeral services were held this morning, after which the remains were shipped to Clinton Forge, Va., for interment.

John C. infant son of Mr. and Mrs. John C. Allen, died yesterday morning. Mary E., wife of Roger F. Barker, died in Washington Saturday.

The funeral will take place in this city tomorrow.

The funeral of the late Charles A. Ward, who was killed in the Southern Railway roundhouse Thursday afternoon, took place at 3 o'clock yesterday afternoon from his late residence, 1005 Gibson street. The services were conducted by Rev. J. P. Stump, and were attended by a large number of friends and acquaintances of the deceased. The pallbearers were six cousins of the deceased—Messrs. Walter Warfield, Arthur Warfield, Gordon Warfield, Geo. T. Burroughs, James Burroughs and Wm. Ward, the latter of Washington. The floral offerings were numerous and beautiful.

Mr. Quincy M. Chinn, died on the 24 instant at his home in Front Royal. He was a native of Warrenton where he had a large circle of friends. He leaves a widow and infant son, two sisters and two brothers, Miss Molly Chinn, of Washington; Miss Martha and Rev. William Chinn, of Marshall, and Mr. Benton Chinn of this city.

New Presbyterian Church.

In accordance with an order issued last Thursday in this city by the Presbytery of Chesapeake, a new church, to be known as the Second Presbyterian Church of Washington, was yesterday morning formally organized in temporary quarters at 2145 P street northwest. Forty-three names were enrolled, with an additional eighteen as members of the Sunday school. The ruling elders and deacons were: selected, Rev. F. J. Brooke, D. D. of this city, preached the morning sermon. The present pastor of the church is Rev. B. F. Bedinger, an evangelist of the Synod of Virginia. The congregation will continue to worship in its present quarters until the early part of the coming summer, when a permanent pastor will be installed, and the question of a lot and new church building will be discussed. Among the elders elected yesterday was Mr. E. H. Campston, formerly of this city.

Accused Dismissed.

Wm. Johnson and Charles Wilkinson, both colored, were arrested yesterday by Officers Tiger and Allen on suspicion of carelessly setting fire to the house of Dinah Harris, colored, on Gibson street, Thursday night last. Chief Webster had obtained information to the effect that the two negroes were in an upper room at the time; that one of them was attempting to light a cigarette by a kerosene lamp caused it to explode when the other kicked it down stairs. The case came before the Mayor this morning, but the witnesses, all of whom were colored, failed to substantiate the charge and the accused were dismissed.

Fauquier Notes.

Mr. Josiah Fishback, an old and highly esteemed citizen of The Plains while taking a walk on Saturday morning, stepped upon the ice and, falling backwards, broke his leg at the hip joint. William Henry Glascock, near The Plains, has had three horses to die with-out being able to discover the cause. The United States government has kindly sent three veterinary surgeons to examine them but they have not been able to throw any light upon the cause of death. A fourth is sick, but is thought to be improving. Mr. Glascock's neighbor, Mr. Canard, has lost two horses, they being effected in the same way.

Fractured His Skull.

Albert Scott, twenty-six years old, whose home is at Ballston, Va., is at the Georgetown University Hospital suffering from a fractured skull, and is in an unconscious condition as the result of a fall he received before daylight yesterday morning at the Virginia end of the Chain bridge. In the fall darkness he mistook the Falls Church road, which is on a level with the Falls Church road, for the roadway, and walked out on it until he reached the end, when he fell to the ground, a distance of thirty-five feet.

Gloomy Sunday.

Yesterday was another dreary Sunday. During most of the day the heavens were threatening and more snow or rain was anticipated; hence there were but few people on the streets after church hours. The attendance at the different places of worship showed a falling off at both the morning and night services. After dark the heavens became clear, but the snow on the pavements kept most people in doors.

Fined Five Dollars.

John Graves, colored, who has been in the employ of the Southern Railway at the roundhouse in this city, was arraigned before Mayor Simpson this morning charged with throwing a cat into the fire box of a locomotive. There was no fire in the back of the furnace but a considerable bank in the front. The feline jumped out, not, however, until it had been seriously burned. Graves was fined \$5.

Personal.

Dr. Wm. Gibbon continues seriously ill at his home on Duke street.

Mr. M. B. Harlow has gone to New York on business.

Mr. Robert B. Cogan has gone to New York for a week to meet some friends he served with in the navy. Mr. Cogan recently obtained a pension of \$12 a month for injuries received in the fight before Santiago.

Mr. James Wade, formerly of this city, is now in New York where he has a position with the American Steamship Company.

Mr. C. H. Oehlert has obtained a position in the machine shops of a ship building concern in Philadelphia.

Mr. Jacob Brill is confined to his home by sickness.

Mrs. Phil. Leterman, who was been on a visit to friends in New York, is spending a few days with her parents, Mr. and Mrs. Henry Strauss, in this city.

Miss Retic Agnew, of south Pitt street, has been visiting Miss Marie Louise Wimsatt, in Washington, who has as her guest Miss Mary Trippett, of Fauquier county.

Mrs. John D. Lewis entertained Wednesday evening at her elegant home in honor of Miss Harlowe, of Alexandria, Va. Among those present was Miss Howard, of Alexandria.—[Charleston Daily Gazette.]

Among those present at the reception given by Gov. White on Thursday evening was Miss Josephine Harlowe, of Alexandria, Va.—[Charleston Daily Gazette.]

Mr. William N. Wamsley and Miss Blanche J. Pampell, both of Baltimore, were married in this city on the 10th instant by Rev. J. H. S. Well.

River Notes.

As heretofore stated in the Gazette, the steamer Norfolk of the Norfolk and Washington line, which has been at the shipyard at Newport News for the past two weeks being fitted with a new main shaft, returned to Washington Friday night and at once took her place on the route. While away the interior of the state rooms on the steamer was painted and decorated and other work was done. It is understood that the steamer Newport News will leave shortly for Sparrow's Point, near Baltimore, where she will have additional state rooms put on her hurricane deck.

The bark Albatross, with crude bone to the Bryant Fertilizer Co., has arrived from Bahia Blanco, South America.

The river is full of "snow broth," as nautical men call it. There is also much broken ice floating up and down, which, however, affords no obstruction to steam vessels. There was some fog on the river this morning.

An Unfounded Rumor.

A report has been in circulation here for several days to the effect that the train dispatcher's office of the Southern Railway, removed to this city last June, is to be taken back to Charlottesville. Such a rumor is not true. Another office is to be located in Charlottesville, but this will in no wise affect the office in Alexandria nor curtail the force now employed here.

First Fatal Accident.

Mr. Charles A. Ward, the young man who was killed at the Southern Railway roundhouse on Thursday, was the first person, it is said, who ever met with a fatal accident in the shops of the company since their establishment in this city over fifty years ago. Young Ward had his life insured for about \$2,300, the policies being made in favor of his mother.

Struck by a Train.

Chris. Grayson, colored, an employee of the electric railway company, was struck by a train at Four-mile run early this morning and seriously injured. He was brought to the Alexandria Hospital where he received proper attention. It was found that his skull was fractured and that he had been seriously bruised about the body, although no bones were broken.

County Court.

[Judge J. M. Love presiding.] The session of the court has been occupied today in the trial of a colored girl named Jackson, charged with the larceny of \$40 from Mr. Henderson.

The engines, boilers and other machinery in the Mount Vernon Cotton Factory have been sold to Julius Dreifuss & Co., who will soon remove the same when the building will be fitted up as an annex to the Portner Brewing Company.

LOCAL BREVITIES.

The Quartette Club will give a dance at Old Fellows' Hall tonight.

Attention is called to C. R. Yates & Co.'s card on tea talk elsewhere in the Gazette.

The ladies of the Baptist Church will meet in the lecture room of that church at 3 o'clock Tuesday for perfect final arrangements for the order dinner to be given at Old Fellows' Hall on Thursday next.

Charles R. Morgan applied to the District of Columbia Supreme Court on Saturday for a divorce from Fannie E. Morgan on the ground of infidelity. The couple were married in Alexandria thirteen years ago.

Four colored women and three colored men were before the Mayor this morning charged with disorderly and indecent conduct. They had been arrested by Officers Lyles, Henderson, Garvey and Mayhew. Five of the accused were fined \$10 each and the other two were dismissed.

A young man who lives on Fairfax street is reported to have attempted to commit suicide yesterday by swallowing laudanum. The effects of the drug were effectually counteracted by a colored physician who happened to be in the neighborhood. The cause of the rash act is not definitely known.

Before the naval affairs committee of the House which is investigating the charges made by Representative Lester that he had been approached with an offer of money for his vote in the committee, Maj. R. W. Hunter of this city, on Saturday disclaimed any connection with the "Hunter of Virginia," mentioned in the testimony on that day.

MEDICINAL.

A Fatal Mistake

Is Often Made by the Wisest People.

It's a fatal mistake to neglect backache. Backache is the first symptom of kidney ills.

Serious complications follow. Doan's Kidney Pills cure them promptly. Don't delay until too late. Until it becomes diabetes—Bright's disease.

Read what this gentleman says: Capt. D. W. Welsh, keeper of the Wood County Infirmary, Parkersburg, W. Va., says: "I had to go around trying to evade pain constantly, aware that a false step, jerk or twist would bring punishment, and I was afraid to handle anything for fear of a reminder in the shape of a twist of pain. I trade at Dr. J. N. Mariotti's drug store on Third street, and have something to get in the drug line every time I come in. It was there I learned about Doan's Kidney Pills and I took a supply home with me and used them. My wife used them and my sister, Mrs. A. Amick, of No. 645 Seventh street, used them. They cured the three of us. I am here in the city every few days and can substantiate the remarks I have made."

For sale by all dealers. Price, 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S.

Remember the name—Doan's—take no other.

NEARING AN END?

Herbert W. Bowen has made a third proposition to the allied powers acting against Venezuela. He conferred separately with Ambassadors Herbert and Mayor des Planches, of Great Britain and Italy, respectively, and Count Quadt, of the German Embassy. It is now intimated that the imbroglio is soon to be relieved.

The agreement among the allies includes a provision that when the time comes for raising the blockade there shall be simultaneous action. This explains the refusal of the individual powers, as such, to answer the first proposition, which was made a condition precedent to negotiating for the payment of the claims.

Members of the Venezuelan Cabinet unite in declaring that the German gunboat Panther began the attack on the San Carlos fort. It is declared that the attack is documentary evidence that the attack was premeditated. An investigation by the United States Legation at Caracas has failed so far to establish who fired the first shot.

A former Venezuelan Minister of Finance says that the loan of \$10,000,000 from the Disconto Gesellschaft, the German banking house, to Venezuela, was only on paper and that the government never received one cent on the debt whose forcible collection is now sought. He also charges that large bribes were given to Venezuelan officials in order to fasten the debt on the nation.

A comparison of the United States and German navies shows that at present the latter is superior in number of ships and tonnage. Germany, however, is at a disadvantage in lacking coaling stations on the American coast.

WASHINGTON'S PISTOLS.—Mr. J. B. T. Thornton, attorney in the suit of Marsteller vs. Marsteller, accompanied by J. P. Leachman, receiver in the cause, went from Manassas to Washington last Thursday, and recovered two single-barrel, flint-lock pistols, heavily silver mounted, with the name of George Washington inscribed on them. It seems that these pistols were given by George Washington to Dandridge, and sold by Bushrod Washington, his administrator, to the father of the late A. S. Marsteller. The Marsteller heirs have a certificate given by Bushrod Washington as to the genuineness of the pistols. It is reported that an offer of \$5,000 has been made for them. They are to be sold.

The crowned heads of every nation, the rich men, poor men and misers all join in paying tribute to Dr. Williams' Little Early Riser.

H. Williams, San Antonio, Tex., writes: Little Early Riser Pills are the best I ever used in my family. I unhesitatingly recommend them to every body. They cure Constipation, Biliousness, Sick Headache, Torpid Liver, Jaundice, malaria and all other liver troubles. E. S. Leadbeater & Sons.
